THE GREAT TUNNELS AND BRIDGES WILL ATTACH LONG ISLAND TO THE UNITED STATES

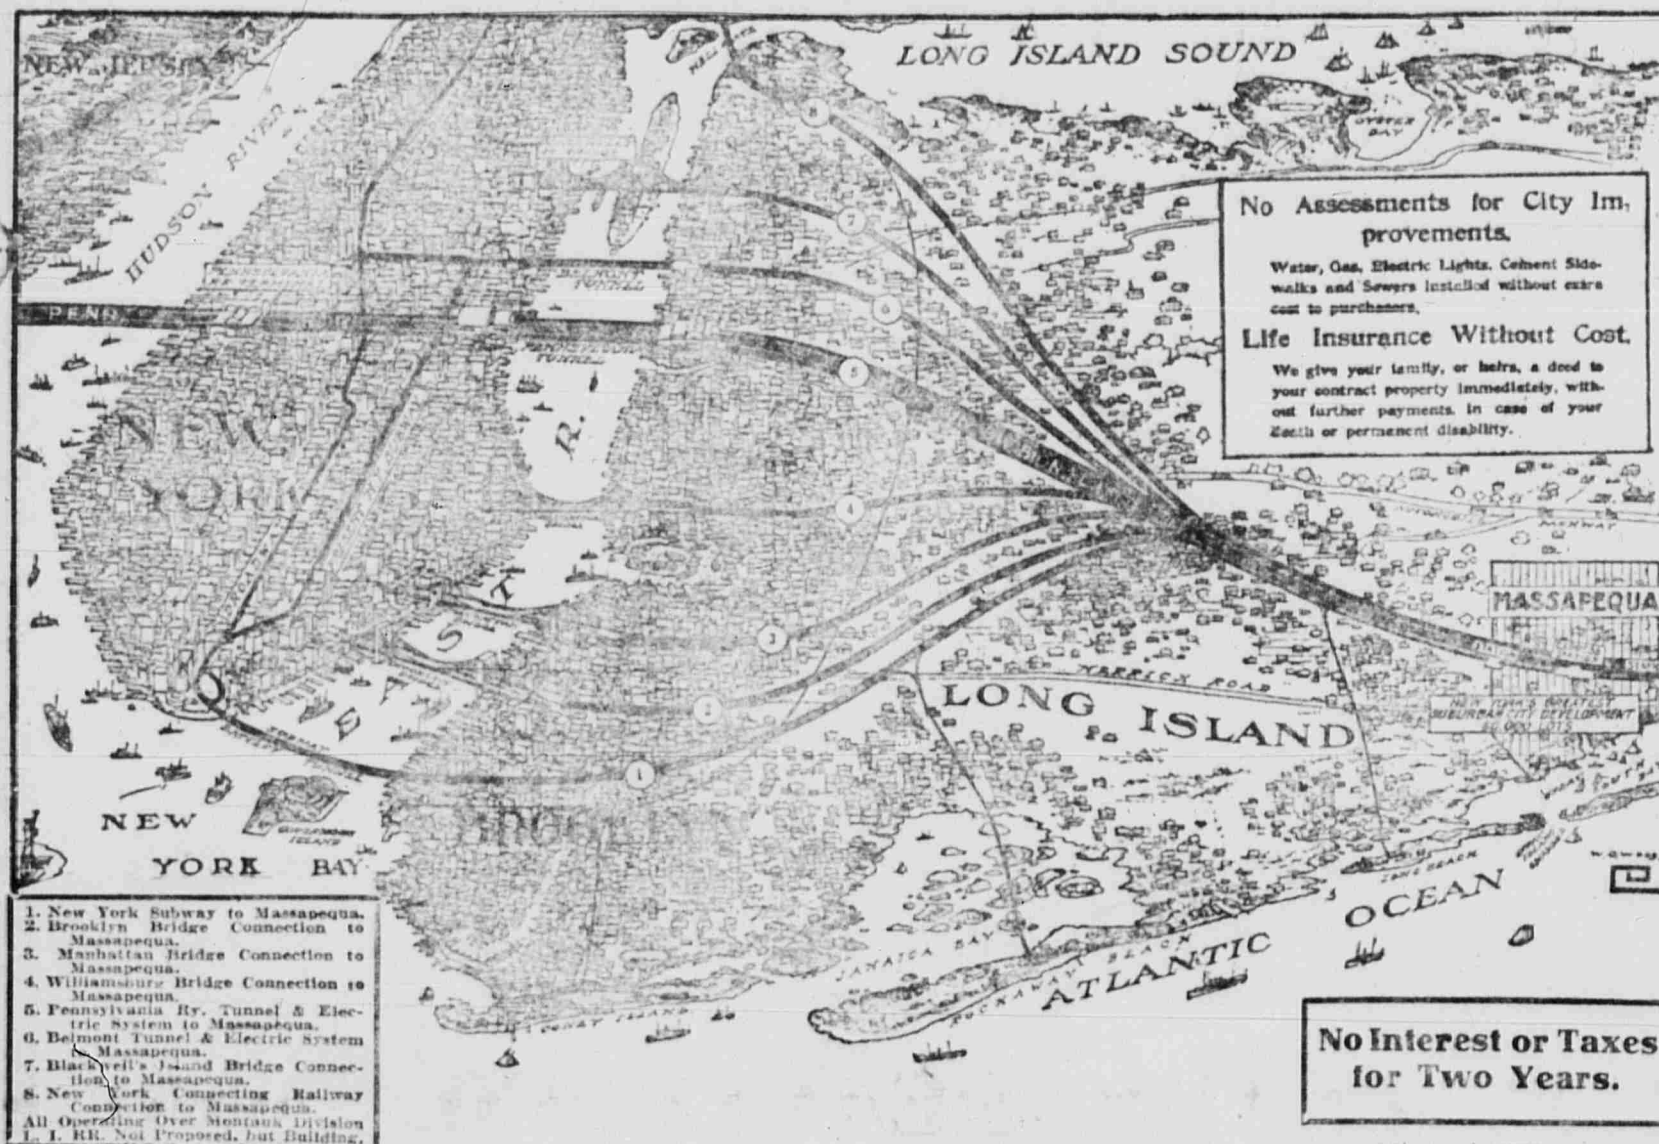

THEY WILL ALSO BRING TO WITHIN 35 MINUTES OF BROADWAY

MASSAPEQUA

New York's Greatest Suburban City Development—the Building of a City. They will also make a fortune for you if you invest your savings in lots NOW.

Lots in Section "C" \$245. \$10 Down and \$5 Per Month

30 % Advance June First. Several hundred per cent. advance upon completion of the tunnels.

Next week is the last week for lots in "Section C" at opening prices.

The sale of lots in this section has been phenomenal and makes the **THIRD GREAT SECTION** of about **THREE THOUSAND LOTS EACH** that have been taken by homeseekers and investors at Massapequa since this great development was placed on sale.

WHAT DOES THIS MEAN? IT CAN MEAN BUT ONE THING—that **THE PEOPLE BELIEVE IN MASSAPEQUA**. They know it is a great development—the building of a City, and **NOT A SALE OF LOTS**. They know that the developers are depending for their profits upon Massapequa being a city.

They know that millions are being expended in installing water, gas, sewers, cement sidewalks and parks without cost to purchasers.

They know it is the high ground of the south side, all magnificent, high, level property, beautiful drives, homes and lakes, the Great South Bay and Atlantic Ocean—a seaport.

50,000 LOTS UNDER ONE DEVELOPMENT, with **THREE DEPOTS**, giving **EXPRESS SERVICE OVER THE MONTAUK DIVISION**, the **BROADWAY OF LONG ISLAND**, and will be **35 MINUTES FROM HERALD SQUARE** upon completion of the tunnels.

TAKE THE MASSAPEQUA SPECIAL THIS SUNDAY AT 2.30 P. M.

From East 34th Street Ferry, New York, Flatbush Avenue, Nostrand Avenue, and East New York, Brooklyn, and Jamaica. Our representatives provide transportation at these depots.

Let Us Show You

the most extraordinary bargains in New York City lots now before the public.

These lots are located in the Borough of Queens, near Jamaica, right at the junction of several transit lines and in the direct line of all the great improvements now nearing completion.

They are in a section of New York City where prices are still low, but where values are increasing the fastest.

Lots outside of the city MAY increase in value some day and you may realize a profit on them if you LIVE long enough. But why take chances when you can buy property right in New York City for less than it costs in unimproved sections miles away?

Don't buy a lot anywhere until you see our Sheffield Manor property—just south of Jamaica, on Springfield Road, having electric lights and improvements.

These lots can now be reached by third rail, steam road, trolley lines pass on either side of the property.

Sheffield Manor

Lots can be bought right now as low as \$200—\$10.00 down and the balance to suit you. We want you to see these lots and compare them with any other proposition now on the market. Our representative (with Sheffield Manor sign in hat) will meet you at the E. 34th Street Ferry, New York side, at 2.10 P. M. and 2.40 P. M., or at the Flatbush Avenue Station, Brooklyn, at 1.50 P. M. and 2 P. M. (on Sunday).

If it is not convenient for you to see this property to-morrow, write or phone us for booklet, maps and free tickets.
